FAQs

What does the Licence cover?

The recording of MCPS members musical works into customised music products, for example: bespoke compilations and backing tracks.

How much do I pay and how?

Royalties are paid in arrears every calendar quarter. Payment is made for every track that is supplied, at rates between 3p per track and 15p per track depending on the type of use.

Is there an advance for the scheme?

An advance of £500 is payable.

Does the agreement cover online distribution?

No. In order to make downloads available of Karaoke tracks you will need to obtain an Online Music Licence from our Broadcast and Online team.
