

Strike the right chord with your creation

We are here to help you with all your music needs.

Are you in the world of entertainment? If you're a creator of films, TV programmes, video games, or podcasts or are eager to amplify your advertising, brand, or business venture, we've got you covered.

Whether you're seeking a powerful score, a catchy soundtrack, or a timeless classic, we'll help you find the perfect musical accompaniment to complement your vision.

Interested in using a commercially released track?

We can help connect you with the right contacts to explore the possibilities. Where we hold the mandate to represent the rights, our team of music and media experts are here to manage the entire process from negotiation to licensing.

Our strong relationships with music publishers and rights holders allow us to streamline the process, saving you time and effort so you can focus on what you do best.

Gain access to pre-cleared music now.

We represent over a million tracks of pre-cleared music from over 200 catalogues and the rights of over 165,000 songwriters, composers, and music publishers in the UK and around the world.

Many of the MCPS Production Music companies offer the flexibility and ease to search via by keyword, mood, pace and style so you can easily find something specific to suit your needs. Once you've found that perfect track, it can be licensed quickly and simply via our online system at fixed rates.

“Friendly, professional service and expert advice. A joy to deal with.”
